Hi...I'm a LA-based lifestyle fashion & fashion portrait photographer with over 10 years experience. Producing imagery for talent & modeling agencies, fashion, portrait, galleries for production companies & the major motion picture studios advertising departments. I capture the essence of people, in the most simple and creative way possible. Paying attention to the light, composition, form, beauty, meaning, and the inevitable, unpredictable magic of the moment. I can shoot edgy, character revealing portraits and effortlessly sexy fashion. I'm a master of lighting and exceptional technique with experience in fashion style-guides, look-books etc. More importantly is having talent and ability to capture images that speak to people.

Looking forward to hearing from you! Cheers, Michael
